Experiencing local life should be the highlight of any trip – so please find below a list of tourist spots and attractions to enjoy so you can make the very best of your stay at one of the most popular Hotels in Wiltshire.

For many years Royal Wootton Bassett has close links with the nearby Royal Air Force Base at Lyneham and in October 2011 the town was granted Royal prefix in recognition of the role the town and its people played in the repatriation of UK service men and women killed as a result of war.

Take a step back in time and explore the Saxon town of Royal Wootton Bassett. The beauty of the architecture makes this town a truly unique and delightful place to visit; wander around the streets and enjoy some retail therapy in the quaint independent shops along the cobbled pavements.

A great way to explore the area is to follow the Wiltshire Website:

<https://www.visitwiltshire.co.uk>

The Wilts & Berks Canal is a canal in the historic counties of Wiltshire and Berkshire, England, linking the Kennet and Avon Canal at Semington, near Melksham, to the River Thames at Abingdon. The North Wilts Canal merged with it to become a branch to the Thames and Severn Canal at Latton near Cricklade.

Swindon hosts the Steam Museum of the Great Western Railway and is housed in a beautifully restored Grade II listed railway building in the heart of the former Swindon railway works. The Steam Museum is conveniently located right next to Swindon's Designer Outlet in which hosts over 100 shops.
